### **Imperial Power Services – A Wind Wind Solution**

Imperial Power Services was contracted to provide primary and auxiliary cranes in support of a main shaft replacement. The process involves removing the rotor in one piece before removing the gear box to swap out the shaft. The job was executed safely and efficiently.

For over 45 years, Imperial Crane Services, Inc. has been committed to the manufacturing and heavy industries providing crane rentals on daily or long term lift projects with over 250 pieces of equipment. Imperial Crane is dedicated to providing the highest standards in safety, service and quality. Starting as a one crane operation, Imperial has grown their rental and sales divisions to create a worldwide organization. Imperial Crane is ranked as one of the top 25 crane rental companies according to ACT (American Crane & Transport).
